Ghost letters (Silent letters)

Use as flashcards, or play like Slap or Crazy 8s: Deal 5 cards to each team. Make the draw pile with the remaining cards face down. Teams try to get rid of cards by matching the silent letter or ghost color to the top card on the discard pile. If a team doesn't have a ghost color or ghost/silent letter combination they must draw cards until they do. The team with the most cards when the draw pile empties loses. Before a team discards their last card they must yell:

"Ghost letter!"
